

Registration form: D'EU um Schierm

D'EU um Schierm gives students the opportunity to meet online with two Members of the European Parliament (MEPs) in order to learn more about the EU, how it works and the challenges it faces. The virtual meeting on MS Teams takes 90 minutes and is organised by the *Zentrum für politische Bildung* (ZpB) and the European Parliament liaison Office (EPLO) in Luxembourg.

What are the main topics your students would like to discuss with the MEPs?

Do the students already have EU knowledge from class?

If so, what topics were covered?

Technical aspects

The discussion with the MEPs will take place on MS Teams. The classroom should be equipped with a stable internet connection, a camera and an external microphone. The ZpB can provide you with a kit (camera + microphone for the classroom). This service is free of charge.

I would like to borrow the kit.

Preparation of the discussion

Before the online discussion, students should prepare around 10 questions for the MEPs in class and send them to the ZpB at least 5 days in advance. To support the teacher in this task, the ZpB and the EPLO can send you pedagogical material.

I would like to receive pedagogical material.

Further information

Is there anything else you would like to tell us for the online MEP exchange?

How did you learn about the offer *D'EU um Schierm*?

Notes

I hereby confirm that I will send the students' questions at least 5 days before the online exchange to the ZpB.

The European Parliament and the ZpB have the right to take pictures during the online exchange and publish them on their offline and online communication channels.

I have taken note that this is not a final registration.

The team of the ZpB and the EPLO will contact me in due time for a final confirmation of the date.
